Gift Aid declaration (For non-attending donations only, we cannot claim Gift Aid on ticket sales.)

Using Gift Aid means that for every pound you donate, we will get an extra 25p for each tax year that is from the HM Revenue & Customs without any additional cost to you. To qualify for Gift Aid, you must pay an amount of income tax and/or capital gains at least equal to the tax that the Hospice reclaims on your donations for that tax year.

I want all donations I have made for the four years prior to this declaration and all future donations to be treated as Gift Aid until further notice.

Data Protection

Under the terms of the Data Protection Act, Phyllis Tuckwell Hospice will retain and use the data you have provided for administrative purposes and to inform you of its fundraising and other activities. We hope you will want to remain in touch with our work, but if you would prefer not to receive future communication from the Hospice, please tick this box.

Why we need you

Phyllis Tuckwell Hospice cares for patients and their families affected by terminal illnesses in West Surrey and North East Hampshire. Less than 16% of our costs are covered by the NHS which means we have to fundraise well over £10,000 every day to keep our full range of services open.

By supporting our Strictly Dancing night you are playing your part in our vision to be able to provide our patients with a choice about where they receive their care. Many patients and their families, like Lianne and her mum Carole (left), would prefer to be at home and, with your support, we can continue to grow our team of specialists, who are able to care for patients and their families in their own homes. For more information on our Hospice Care at Home appeal please visit www.pth.org.uk/HCAH.

Thank you for your support.
